Subject: U.S. Customs-Trade Partnership Against Terrorism (C-TPAT)
(A Supply Chain Security Initiative)

To our Valued Suppliers:

Jasco Products is committed to the security of the supply chain and we are voluntarily participating in the Customs Trade Partnership Against Terrorism (C-TPAT). We share the current national and international concern with preventing and combating terrorism, and in particular with assuring the integrity and security of our supply chain.

As part of the C-TPAT initiative, Jasco Products requires its suppliers to be committed to the security of its supply chain as well and to meet the C-TPAT Minimum Security Requirements for Foreign Suppliers. As a supplier to Jasco your security measures should provide for the protection against the introduction, exchange or removal of illegal materials in the supply chain. We ask that you complete the attached C-TPAT Security Questionnaire which is also available on our vendor website. Part of our validation as a C-TPAT member will include U.S. Customs inspecting and validating the supply chain efforts of one or more of our vendors overseas.

If you are eligible to participate in the voluntary C-TPAT program we ask that you take the necessary steps to become a member. In addition we ask that you join any security programs that are governed by your own country or any equivalent World Customs Organization (WCO) accredited security program governed by your home country. More information on the WCO and C-TPAT Minimum Security Requirements for Foreign Suppliers is available on our vendor website in both English and Chinese: Create New Login URL: <http://byjasco.com/vendor-portal>

Please study the C-TPAT Minimum Security Requirements for Foreign Suppliers and make every effort to meet them. By doing so you will assure us that you would be an exemplary supply chain partner for U.S. Customs should you be chosen for inspection as part of our C-TPAT foreign validation.

The attached C-TPAT Security Questionnaire plus written procedures where requested must be returned to Jasco's Hong Kong office within five days of receipt of this notice.

Very truly yours,

JASCO PRODUCTS COMPANY
