Dear Valued Suppliers:

Jasco is committed to the security of the supply chain, and we are voluntarily participating in the Customs Trade Partnership Against Terrorism (C-TPAT). We share the national and international concern for preventing and combating terrorism. We are also focused on assuring the integrity and security of our supply chain.

As part of the C-TPAT initiative, our vendors are required to follow Jasco's shipping requirements as outlined in our Vendor Shipping Guide. Your cooperation in following the procedures will assure us that you share our concern in maintaining the security of our supply chain.

The Vendor Shipping Guide should be shared with all parties at your facility involved in the Jasco shipping process including your Security Officer, Document Preparation Staff, Shipping Manager, and any others in your facility that handle Jasco freight.

As part of Jasco's C-TPAT participation it is required that you sign this letter indicating that you have reviewed our Vendor Shipping Guide. The Shipping Guide is subject to change. Consequently, you must periodically sign in to Jasco's Vendor Website to update this document with changes. This information is updated at URL: <https://byjasco.com/vendor-portal>.
