Dear Valued Vendor,

We would like to inform you that Jasco Products Company has decided to implement a Foreign Trade Zone at our facility. This will enable Jasco to move goods directly to our facility under bond and under the jurisdiction of U. S. Customs without realizing the duties of the goods until Jasco ships out to our customers. There is substantial cost savings that Jasco will be able to leverage in being an FTZ facility.

We ask that our vendors remain vigilant in preparing commercial documentation and that they take necessary steps to ensure that all commercial documentation is provided timely and accurately. Please let me know if you have any questions.

.

Regards,
