### Installation Recommendations

- Make every occasion shine with the Lights by Night 48ft. Bistro Lights. Featuring energy-efficient LEDs, the lights instantly enhance your backyard gatherings with the sophistication of old-world charm and convenience of a contemporary, premium lighting design. Rated for permanent installation and year-round outdoor use, the bistro lights are the perfect addition to your deck or patio. These bistro lights can also provide an elegant indoor scheme for a variety of unique spaces. Integrate the bistro lights into your space for a modern, stylish look or create a warm canopy of light by stringing them above your bed. The lights are ideal for brightening dorm rooms, offices, kitchens and more. Installation is simple – each light is connected to a flexible mounting keyhole, ensuring versatile and secure placement options. The durable, blow-molded bulbs are made from shatter-resistant acrylic, so you'll never have to worry about replacing a light. Additionally, the bistro lights are linkable up to 750 feet, giving you the option to have as much light as needed to illuminate any space.
